## **Buzz Lightyear from Toy Story**

*A Pixar Movie, an adapted version*

**BUZZ:** Buzz Lightyear, to Star Command. Come in, Star Command. Star Command - come in. Do you read me? Why don't they answer?!! Maybe they are in danger. I must return, but why was I sent. Everything seems very unfamiliar and a little fuzzy.....

My ship!! Blast! This'll take weeks to repair! Buzz Light year Mission Log. Star date 4072: My ship has run off course en route to sector 12. I've crash-landed on a strange planet. This impact must have awoken me from hyper-sleep.

Terrain seems a bit unstable...My mission here is not quite clear but for the sake of us all, I shall soldier on in search for the greater good and so on. Hmm, No read-out yet if the air is breathable... and there seems to be no sign of intelligent life anywhere --

*(Woody's face suddenly pops into view.)* HO-YAAHHH!!! At any moment my laser beam should paralyse this wooden puppet like creature. Hmm, it's taking a little longer than usual, I'll turn up my galactic beam to the maximum ray. Ahh, that seems to have the creature in my control.

## **Alice in Wonderland**

*By Lewis Carroll, an adapted version*

**ALICE:** Who am I? Well, I'm not a silly pair of Tweedles who get all bent out of shape and tied up in knots if you don't know the proper way to say hello! And I'm certainly not a bunch of snooty flower girls who act like they're better than everybody else and whose only ambition in life is to look pretty!

And I'm not some party animal Mad Hatter who likes to cheat at games and break other people's things just because he thinks it's funny. I'm also not a crazy white rabbit who never has time to visit and play and get to know me, when all I wanted to do was be his friend.

And I'm absolutely, positively, categorically, not a big old nasty Queen of Hearts who bosses people around! Quiet! I'll tell you who I am. I'm Alice. I'm Alice! Do you hear me?
